Ntumba 1994

EXPERIENCES

Teaching Assistant at:

University of kinshasa

2017-2020

Kinshasa, DRC

Participant in the Machine Learning contest at

UNESCO

April 2019

Africa

theme: "Combination of Automatic Classifiers (SVM,KNN,NEURAL NETWORK) for Breast Cancer Prediction.

Adjudicator of the Electoral File

at the Independent National Electoral Commission (CENI)

Mars 2018-Avril 2018

Kinshasa, DRC

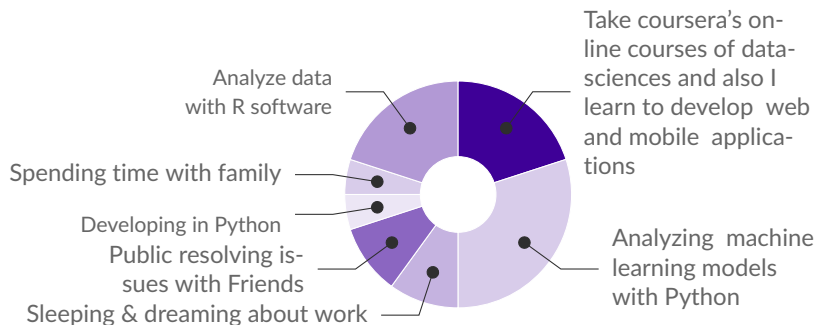

Internship in Computer Sciences

at the Ministry of Agriculture

2016-2017

Kinshasa, DRC

A DAY OF MY LIFE

INTEREST AND ACHIEVEMENT

Data Analysis Machine Learning Reseaux Complex
Statistique Descriptive optimization Statistique Inferencielle

TECHNICAL SKILLS

Machine Learning Mobile Data Engineering
Deep Learning Business Intelligence and Data Warehousing
Web Data Analysis Data Mining Optimization

EDUCATION

Master in Mathematical Sciences

African Institute for Mathematical Sciences (AIMS)

2021

Mbour, SENEGAL

Licence (Bac +5) in Computer Science(Option:Management)

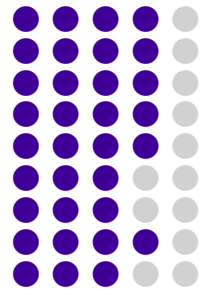

University of Kinshasa

2012-2017

Kinshasa, DRC

PROGRAMMING SKILLS

Python
R Mackdow
WordPress and Elementor
Csharp
Java
Html,Css,JavaScript,Php
LaTeX,Git and Github
Word,Excel, Powerpoint
Flutter

LANGUAGES

English
French
